NATIONS AUTO SALVAGE

John Hall, Director
Polk County Building & Code Division

Salvage Yard (Revised 04/04/02 - Ord. 02-18)

1. Salvage yards shall be prohibited on lots less than ten acres.
2. No scrap, machinery, junk, debris, vehicles, vehicle parts, or other materials may be stored closer than 15 feet from any property line. Said materials shall not be visible from public roadways or residential dwellings.
3. No junk or vehicles, including automobiles and trucks, shall be burned in or on any premises occupied as a salvage yard.
4. All salvage yards shall be maintained so as not to create environmental or health hazards that pose a threat to ground or surface water quality, air quality, wildlife, or humans. All fluids shall be drained from vehicles stored in any salvage yard.
5. Entrance gates shall be set back a minimum of 50 feet from any street right-of-way.
6. Salvage yards shall have direct and primary access to a paved collector or arterial road. Direct access from any local or residential street shall be prohibited.
7. In addition to the Type C buffering requirements of Section 720, all salvage yards shall provide a solid perimeter wall or fence (excluding sheet metal), which is interior to any required landscaping material, and which is a minimum of six feet and a maximum of 10 feet in height from the average grade of the property.
8. Prior to establishing or operating any salvage yard, the operator shall obtain an Operating Permit from the County in accordance with the following:
 - a. An application for an Operating Permit shall be required to undergo a Level 2 Review (refer to Section 905). Applications shall include the name, address, and phone number of the local salvage yard operator or agent.
 - b. A valid Operating Permit shall be prominently displayed in the office of the firm operating the salvage yard, and shall be renewed prior to January 1st of each year in operation. Operating permit renewals shall undergo a Level 1 Review (refer to Section 904).
 - c. In the event of sale or transfer of ownership of a salvage yard, an operating permit may be re-issued to the new operator, under the same conditions, requirements, and agreements as were applicable to the previous owner, at the time of sale. Application for the re-issuance of an annual operating permit may be made prior to the sale or filed within 10 days after the closing date of the sale. Failure to comply with this Section shall cause a current operating permit to become invalid.
 - d. Provide documentation of Industrial permits from the Department of Environmental Protection.
